Thanks to all that came out and enjoyed some wonderful Sacramento Fall weather.

Thanks to Dan and Danny for setting up and tearing down. Dan, Danny, and Dwight also covered sign-ins, starts, and finishes. Dan even stuck around to help pick up controls afterward!

We had a total of 32 participants on three different courses. Every punch card turned in was complete and correct. Great work everyone.

Course Summary:

<u>Course:</u>	<u>Dist(km):</u>	<u>Check Points</u>
White	1.5	13 controls
Yellow	2.5	15 controls
Orange	3.6	16 controls

Nik Weber turned in the fastest time of the day on any course. First place on Orange, flat-out-fast...Nice work. Gary and Olga Kraght also had great times on the Orange course for 2nd and 3rd place.

The Three Amigos turned in the fastest time on the Yellow course. Not only did they have a great finish time, they were also smiling and laughing running into the finish. Guessing their fun spirit will continue as they take on harder courses.

Thanks to the Maldonado and Lulla families for making sure the white course didn't go unused.
