

RESULTS - Mississippi Bar Orienteering

SUNDAY, 06/28/2026

Thanks to all that attended. We had some new faces and lots of participation from Scouting Troop 447. What a fun bunch of people! You could see some uncertainty and apprehension on their faces before the start. It was all smiles and good stories at the finish.

We had a total of 37 participants. A good number, but we would like to see more at the fall events. Please spread the word. Check the website for updates.

Thanks also to all the volunteers. These events wouldn't happen without you. Thank you!

How did your route compare to others? Check the Livelox link below if you tracked your run. Thanks for setting up the Livelox Kris.

Top performances of the day:

- Stephen Pepe, visiting from Quantico Orienteering Club pulled off a 1hr 10 minute run on the Red course. Nice work!
- Stephen was followed closely by Rex Winterbottom with a 1hr 29 minutes on the Red.
- Jonas Libell showed off his skill with a 49 minute run on Brown. I obviously didn't make it hard enough!
- Not to be outdone by dad, Tim Libell cleared the Orange course in 1 hr and 2 minutes.
- And the overachiever of the day, Greg Mandler turned in the fastest times on the White and Yellow! Great work Greg.

Detailed Results are on the following page.
